Dear Parents and Carers,

We are pleased to have been approved as meeting the ICAN standards for supporting all children's speech, language and communication development. We are very proud of our accreditation, Staff in the Early Years have always work really passionately around helping children with their speech and language needs and it is lovely to be acknowledged for this work. A big well done to all our Early Years staff. Thank you to parents for their good wishes and their personal success stories around speech on our twitter page @ssppcps

Post your child's success story on our twitter and tag @ssppcps @ICANTALK and @ICANcharity

We look forward to re-tweeting them!

Easing of Lockdown procedures

Although the Prime Minister has announced some easing of the lockdown procedures, parents and carers are asked to continue to wear face masks on playgrounds and when picking up and dropping off pupils at school . Please do not be offended when staff ask you to continue to wear masks at the gate – this is to keep everyone safe and well until we do come out of all lockdown procedures.

There is a link to a letter from Knowsley Education regarding face coverings:
