Applications for admission to reception classes and transfer to secondary school in September 2

Parents will not receive copies of the admission booklets as in previous years –The LA (Local Education Authority) have a new online portal and request all parents apply online wherever possible. The online portal will be available via the Knowsley website from Friday 11 September and parents can apply for reception places or year 7 transfer after this date.

The LA are sending a letter to parents of all year 6 children to make them aware of the application process. This letter includes a UID reference that can be input on the application portal to match the application to LA records. So include this number on your application

The LA plan to send a similar letter to children of pre-school (Nursery) age later in the month

Application closing dates for Knowsley residents remain unchanged and are **31 October** for secondary applications and **15 January** for reception applications.

If you do not have access to the online portal you can make an appointment at school to come in and staff will help you to complete the form online – please ring 0151 477 8205 to book an appointment.
