## Covid19

We have four children and lots of family members across school with Covid 19, we wish you all a speedy recovery.

If you or your child develop any of the three symptoms

- High fever (temp above
- Continuous cough
- Loss of taste or smell please book a PCR test.

If anyone in your household tests positive for Covid 19 from a PCR test all family members in the house must book a PCR test. Please use the contact us form on the App if your child is getting a PCR test and also inform us of the results of the test.

## Open days

Our open days, where parents come into the school and have an appointment to speak to your child's class teacher cannot go ahead as we would have liked this term. This was scheduled for 24<sup>th</sup> November – this date is now cancelled and children are in school as a normal school day.

We will have our Open evening via a school app which allows parents to book a 5 minute session with the class teacher to listen to how your child has settled into their class, areas and strength and areas of development for your child etc. Dates for this sessions will be sent to parents in the coming weeks.
