Dear Parents and Carers,

Just some requests about day to day school activities

As the weather is getting warmer, please ensure your child has sun cream on coming to school, staff are unable to apply sun cream due to social distancing rules. Pupils can also bring in a hat to wear to keep the sun off their faces at play time and lunchtime play.

Please ensure your child is wearing their PE kit on the day they have PE in school – we are having an increased number of children, especially the girls coming in in gym clothes. All children need their PE kit on and a tracksuit over their PE kit if needed for colder days. Please ensure the children have their black PE pumps in school on the day they do PE – these can be left on your child’s hook in their PE bags – there is no need to have to take them home.

Please ensure your child completes their weekly homework via Dojo, if you are not sure what day your child’s homework is due back in – please look on the class stories on Dojo. Reading is a part of homework and children should be encouraged to read their school book at home every school night, and bring it into school on the correct day each week.

Thank you for your cooperation with these matters

Please pay all dinner money before Monday 26<sup>th</sup> April for next week meals
