Dear Parents and Carers,

As you are aware we had a positive Covid test related to school this week – the following information is to parents and carers for information:

Advice to All Parents - Single case Dear Parents,

We have been advised by Public Health England that there has been a confirmed case of COVID-19 within the school.

We know that you may find this concerning but are continuing to monitor the situation and are working closely with Public Health England. This letter is to inform you of the current situation and provide advice on how to support your child. Please be reassured that for most people, coronavirus (COVID-19) will be a mild illness.

The small number of children who have been in direct prolonged contact with the confirmed case will have received an individual letter and will be staying at home for 14 days.

The school remains open and your child should continue to attend if they remain well.

What to do if your child develops symptoms of COVID 19

If your child develops symptoms of COVID-19, they must not come to school and should remain at home for at least 10 days from the date when their symptoms appeared. Anyone with symptoms will be eligible for testing and this can be arranged via <https://www.nhs.uk/ask-for-a-coronavirus-test> or by calling 119.

All other household members who remain well, must stay at home and not leave the house for 14 days. This includes anyone in your 'Support Bubble'.

Further information is available at: <https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stayat-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

The 14-day period starts from the day when the first person in the house became ill Household members should not go to work, school or public areas and exercise should be taken within the home.

If you require help with buying groceries, other shopping or picking up medication, or walking a dog, you should ask friends or family. Alternatively, you can order your shopping online and medication by phone or online. Household members staying at home for 14 days will greatly reduce the overall amount of infection the household could pass on to others in the community If you are able, move any vulnerable individuals (such as the elderly and those with underlying health conditions) out of your home, to stay with friends or family for the duration of the home isolation period.

Symptoms

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

For most people, coronavirus (COVID-19) will be a mild illness.

If your child does develop symptoms, you can seek advice from the nhs.uk website at <https://www.nhs.uk/conditions/coronavirus-covid-19/check-if-you-have-coronavirus-symptoms/>.

If you are concerned about your child's symptoms, or they are worsening you can seek advice from NHS 111 at <https://111.nhs.uk/> or by phoning 111.

How to stop COVID-19 spreading

There are things you can do to help reduce the risk of you and anyone you live with getting ill with COVID-19

Do

- wash your hands with soap and water often – do this for at least 20 seconds
- use hand sanitiser gel if soap and water are not available
- wash your hands as soon as you get home
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin immediately and wash your hands afterwards

Further Information

Further information is available at <https://www.nhs.uk/conditions/coronavirus-covid19/>

School uniform

Some pupils have returned to school in polo shirts – all pupils should wear a pale blue shirt with the school tie this term and not polo shirts.

Uniform for all pupils from Reception class to Y6

Uniform consist of:

- Pale Blue short sleeved shirt and school ties (No school polo shirts until after Easter)
- Grey Skirt, pinafores or long trousers
- Royal Blue School Jumpers with badge
- Black school shoes (No trainers, gel shoes, heeled shoes or boots allowed)
- Grey, royal blue or white socks
- Small **royal blue, gold or white** hair bobbles/ ribbons/ headbands
- hair past shoulder length must be tied back.**
- No jewellery except small stud earrings and a wrist watch.
- PE Kits must be worn every week on the day which your child does PE in school:** White t-shirt (with school badge) with royal blue shorts and black pumps.
The children can wear a tracksuit over the top of their PE Kit, travel to school in their trainers and bring their black pumps into school in their PE bags

Children go into the hall in PE kits not in their tracksuits – please ensure they are wearing PE kits under Tracksuits/ gym clothes.

Children are not allowed to bring in any pencil cases or any of their own pencils/pens etc
On the first day of school all children in Y3 – Y6 will be given a school homework/reading bag.
Children are encouraged to bring a clear, see through water bottle into school containing water only.

Applications for admission to reception classes and transfer to secondary school in September 2

Parents will not receive copies of the admission booklets as in previous years –The LA (Local Education Authority) have a new online portal and request all parents apply online wherever possible. The online portal will be available via the Knowsley website from Friday 11 September and parents can apply for reception places or year 7 transfer after this date.

The LA are sending a letter to parents of all year 6 children to make them aware of the application process. This letter includes a UID reference that can be input on the application portal to match the application to LA records. So include this number on your application

The LA plan to send a similar letter to children of pre-school (Nursery) age later in the month

Application closing dates for Knowsley residents remain unchanged and are 31 October for secondary applications and 15 January for reception applications.

If you do not have access to the online portal you can make an appointment at school to come in and staff will help you to complete the form online – please ring 0151 477 8205 to book an appointment.

Wearing of Masks

Can all adults who are picking up children from school and bringing children to school please wear a mask both on the playgrounds and on the side walk outside the whole of the front blue fencing of school. Your cooperation in this matter is greatly appreciated.

We are pleased to announce that from today we have a e-platform containing library books. This service is provided to us from the Knowsley Library service and Wheelers.

All children from Reception to Year 6 are able to access library books from the Knowsley library. Children in the juniors have been informed of their username and password and can log on through the following link

www.eplatform.co

you will then be able to download the App onto your device and start borrowing library books electronically. We will remind all children next week of their usernames and password.

Happy reading!!!

Wishing you all a happy weekend and we will see you back in school safe and well on Monday!
