Issues within school

From time to time pupils have difficulties in school. Whether this be with their work, their homework, a falling out with friends or they have been hurt or upset by another pupil. For the vast majority of incidents, teachers and other school staff know about these incidents and teachers or school staff will discuss them with parents at the end of the day, via a telephone conversation or in a meeting for more serious incidents.

Parents are asked not to contact other parents directly to discuss these issues. Always approach class teachers in the first instance. Problems will be dealt with by class teachers. Following this if you feel you need to take this issue further you can make an appointment to talk to the head of department.

Please read the online safety newsletter containing advice for parents about the age expectations for some of the games children are playing,

Lots of our children are talking about playing games on line and on consoles which are far too old for them.

Due to the disruption to children's education over recent months the Council has relocated the polling station away from school as follows:

Previous Station	New Station
