Dear Parent/Guardian

As a school we pride ourselves on having a good attendance throughout the year. This year we have set an attendance target of 96% - which we want all of our children to achieve.

All classes have been given a target to strive to achieve. We can only do this with your help in sending your child into school, on time, every day.

We want all of our children to achieve their best but they can only do this if they are in school **EVERY** day.

I am therefore asking that all competitions, days out and holidays be attended outside of school hours. Failure to do so will mean an unauthorised absence.

Please see the following national research information that shows the impact of absence and punctuality on a child's achievements.

**DID YOU KNOW?** A two week holiday in term time means that the highest attendance you can achieve is 94.7%

**DID YOU KNOW?** If you are 15 minutes late each day you will have missed 2 full weeks of school in one year?

As always your support is always appreciated. We can all make a difference in the lives of our children if they are given the right tools to work and learn. This can only happen if they're in school.

If you have any questions about any of the information given in this letter please don't hesitate in coming into school to speak to a member of staff.

**If your child is off:**

- Phone school on the first day of absence - before 9.15am
- Send in a letter to explain absence when your child returns

**If your child is arriving at school after 9.05 - they are late:**

- Bring them to the school office and sign them in
