

World War 1 Art competition information

Competition to design a winning picture about the First World War.

As the History co-ordinator this academic year, I am organising a competition to design a winning picture about the First World War. It is 100 years since the end of the war and as a school we would like to recognise and remember this.

The winning picture/pictures will be displayed in school with the winner's name.

We will then make a collage of all the entries which will be displayed in school to be enjoyed by everyone.

Entries should be completed on A4 white paper, either landscape or portrait, and can be designed in any art media they choose. All entries must be handed in to their Class Teacher by **4pm on Friday 2nd November** .

I will announce the winner at the Whole School Assembly on the following Friday.

All entries **must not** have the child's name on the front, instead I would like them to write their **name, age and class on the back of the picture.**

Many thanks

Mrs Spittlehouse
