Dear Parents and Carers

Can I kindly remind all parents that if they are using breakfast club and after school club they must book in and pay for the children in advance.

We are finding ourselves in situations where we think we have not got children booked in and children are just turning up to both breakfast club and after school club and we have not put enough staff in to cover these pupils that just turn up. If children are not booked in staff will be calling parents and asking them to come and collect children.

When pupils are brought to breakfast club an adult must sign them in!

Please ensure all bookings are paid for in advance when you are booking them in.

If parents find themselves in an emergency situation and need after school club or breakfast club they must phone school to ask staff can they be booked in before turning up!

kind regards
