Dear Parents and Carers,

Make every day count in Kirkby – working together as a family of schools Spring term 2024

As you know the regular attendance of your child at school is a vital part of their education. All our Kirkby Schools meet regularly together to discuss attendance and ways to further promote attendance within the town.

We focus on every child, every class, every school – and the attendance for all children right across the town.

This term we are sharing our attendance figures with each other for each week of the Spring term.

At the end of every week we look at the attendance for each school and announce our weekly Kirkby school champion.

At the end of term we will announce our overall Spring term school champion.

Watch out for additional events between now and the end of the Summer term.

We want Kirkby to be known as a champion town for school attendance – you can help us make this happen.

Thank you for your support. Our school attendance for week 1 Spring term 2 was 92.1%

Yours sincerely

Mrs J. Mousley

Headteacher

Online safety tips for Parents

Talking regularly with your child can help keep them safe online. Making it part of daily conversation, like you would about their day at school, will help your child feel relaxed.

It also means when they do have any worries, they're more likely to come and speak to you.
